Imagine hosting your next party on a beautiful patio surrounded by charming serpentine walkways, an inviting green lawn, and flowering gardens. That vision can be yours when you rely on the experience of Legendary Landscape. No matter how you use your yard – whether it's for entertaining, playing with the kids, or simply relaxing – you'll enjoy it more when you make it the place of your dreams. Cascading fountains and spacious patios can add character and appeal to an otherwise lackluster outdoor area. Why not create a yard that's as beautiful as it is functional? Whatever your dream, the specialists at Legendary Landscape will make it a reality.

Legendary Landscape's skilled team will transform any unsightly or boring outdoor space into a virtual paradise that's sure to be the envy of the neigh-

borhood. Specializing in hardscapes, this experienced design/build company provides creative ideas and a full range of landscape services, so you're assured spectacular results. Legendary Landscape's owner, Chad Hurry, is committed to providing exceptional customer service and personally oversees all work performed by his company. Aside from the improved appearance of your yard, Legendary Landscape's beautiful custom designs can increase your privacy and property value, too!

Since 2001, Legendary Landscape has specialized in providing homeowners throughout Spotsylvania, Stafford, King George, Orange, and surrounding counties with stunning new looks for their outdoor areas. Chad Hurry possesses more than 23 years of hands-on experience in and has transformed the yards of more than 600 happy clients. He

takes great pride in his company's integrity and professionalism, as well as their ability to create solutions for unique preferences. Chad's threefold design approach is simple: listen to the client's needs first, provide a custom design, and use quality materials to implement that design. Says Chad, "We strive to exceed expectations. The vast majority of customers tell me that it turned out far better than they could have imagined."

Because no two clients or yards are exactly alike, each project is distinctive. So, whether your taste is rustic or elegant, simple or complex, you'll get the perfect plan to suit your needs. From beautiful, durable paver patios... to eye-catching retaining walls... to cascading water features... to stunning landscaping and more, Legendary Landscape will turn any outdoor area into a treasure you'll enjoy for years.

Fully licensed and insured, and with an extensive list of references, you can feel confident about your choice of contractors when you select Legendary Landscape. In fact, most of their business is the result of referrals from satisfied clients, a testament to the company's superior workmanship and service. A full range of Legendary Landscape's work is on display at Canova's Custom Stoneworks in Fredericksburg, so stop by to see their amazing craftsmanship.
